CATALOGUE 2024
SPARE PARTS

www.vertimac.com • +32 56 612 666 • parts@vertimac.com

All product images are for illustrative purposes only. All data submitted by the buyer is supposed to be correct, and will be used as a basis for Vertimac's offer(s). When the buyer places an order by supplying parts numbers to Vertimac, we shall believe that these correspond with the parts effectively required. All sales are subject to Vertimac's general terms and conditions, available on www.vertimac.com.

Nice to meet you

With more than 350.000 known part numbers and an extensive stock of fast-rotating parts, Vertimac Parts has established itself as a prominent player in the MEWP-parts sales industry. Every day, our teams are committed to supplying rapid and carefree solutions to every customer.

At Vertimac, we pride ourselves on providing:

► **Quality**

The quality of our parts is our priority. Our specialised focus on MEWPs enables us to invest our resources and expertise in research, development and thorough testing.

► **Personal service**

Our team consists of devoted experts who are familiar with your region and understand your specific needs. We strive to provide the required assistance for every project.

► **Fast delivery**

All orders are processed and shipped from our main warehouse, centrally located in Waregem, Belgium. Due to our strong relationships with various freight companies, we can offer competitive pricing and fast transit times.

Due to our commitment to personalised service, speedy delivery, and top-notch quality, your business can always rely on Vertimac Parts.

Contact our team

This catalogue provides an overview of our fast-moving parts. For any item not figuring in this catalogue, please direct your enquiries to our international team. They are ready to help you with questions, pricing, technical advice and lead times.

Delivery time

OEM vs. AFM

In addition to providing OEM parts, we offer a wide selection of equivalent parts with an exceptional price-performance ratio.

This catalogue presents a transparent distinction between OEM parts and their AFM equivalents:

- ▶ **OEM parts are identified by the first two letters of the MEWP brand name.**
For example, 'GE' denotes parts manufactured by Genie, and 'JL' denotes parts made by JLG.
- ▶ **AFM parts are labelled with letters representing the product category.**
For instance, 'BC' is used to indicate battery chargers.

Our plug-and-play promise:

We take great care to ensure that all AFM parts are perfectly compatible with the original parts, making them fully operational alternatives. As a customer, you simply choose the part that provides a solution to your technical issue, avoiding all compatibility issues.

Brands

At Vertimac, we take pride in offering a wide range of brands to meet our customers' diverse needs. Our selection includes some of the industry's most reliable and respected names, such as:

- ▶ Haulotte
- ▶ Genie
- ▶ JLG
- ▶ Skyjack
- ▶ Upright
- ▶ Sinoboom
- ▶ Hinowa
- ▶ Niftylift
- ▶ Snorkel

In addition, we established long-lasting partnerships with reputable brands in the machinery industry, including Deutz, Deutsch, Hatz, Perkins, Donaldson, Telemecanique, Schneider, Kubota, Honeywell, Parker and more.

To make the process of finding and ordering parts as accessible as possible, we provide parts manuals for all the brands featured in our webshop. This comprehensive resource allows you to identify and select the parts you need for your equipment, ensuring maximum efficiency and productivity.

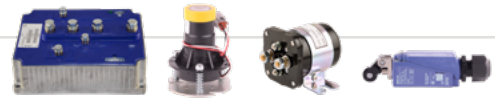

Table of contents

Batteries, chargers

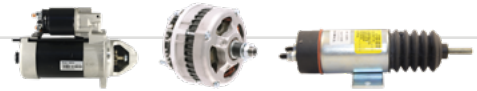

- Battery cyclic, starter, traction 8
- Battery charger 24V, 48V 9
- Battery indicator 11
- Battery (charger) accessories 12

Electrical components

- Connector plug 14
- Contact block 18
- Contactor 12V, 24V, 48V 19
- Electronic control unit 22
- Electronic card control box, ground control 26
- Electric motor 31
- Emergency stop 32
- Fuse 34
- Limit switch 36
- Foot switch 43
- Relay 12V, 24V 44
- Sensor angle, oil pressure, overload, tilt 46
- Indicator light 55
- Switch toggle, key, rotary, rocker 56

Engine parts

- Alternator 66
- Starter 67
- Fuel pump 67
- Solenoid shut-off, throttle 68
- Solenoid, coil 72
- Timing belt 72
- Flange, exhaust, generator 73

Filters

- Air filter 74
- Fuel filter 75
- Hydraulic filter 76
- Oil filter 77
- Filter kit 77

Hydraulic parts

- Hydraulic pump 78
- Rotator 81
- Valve 82
- Solenoid, coil 83

Joysticks, control boxes

- Genie joystick 84
- JLG joystick 91
- Haulotte joystick 97
- Skyjack, Upright joystick 100
- Various brands 102
- Genie control box 105
- JLG control box 105
- Haulotte, Skyjack control box 106
- Control box accessories 107

Mechanical parts

- Emergency lowering cable 108
- Gas spring 109
- Hinge 111
- Latch 111
- Pin wire lock 114

Safety, maintenance

- Alarm 115
- Analyzer 117
- Anti-slip tape 117
- Document holder 118
- Hour meter 118
- Strobe light 119
- Decal 120

Structural components

- Cover 132
- Platform 134

Transmissions

- Drive motor, hydraulic 136
- Drive motor, electric 137
- Drive motor, electric cable 138
- Brake, hydraulic 138
- Brake, electric 138

Wheels, tires

- Wheel non-marking 139
- Tire all-terrain, non-marking 144
- Wheel all-terrain, foamed 145

BATTERIES / CHARGERS

Genie, JLG, Haulotte and Skyjack
